1980	49,714	651	167	122	45	450	34

NA Not available.

s Data for March 2001 and later use population controls based on Census 2000 and an expanded sample of households designed to improve state estimates of children with health insurance.

\* "Other race," is any race other than White or Black, such as American Indian, Japanese, Chinese, etc. This total excludes combinations of other races by other races.
